FOIAb3d

1. [REDACTED] 'phoned on 4 August 1955 and stated that he would like the following categories placed on the agenda of the Subcommittee: 1, 2, and 3.

2. [REDACTED] 'phoned on 8 August 1955 and stated that he would like the following categories placed on the agenda of the Subcommittee: 2 and 3. In addition he would like consideration of the maintenance of a "Soviet Scientific Research Institute Locator File" (SILO), in which the source reference to both translated and untranslated data on the institution from Soviet scientific and technical publications are carded; the institution name, standard translation, parent organization, director, location, publication of a house organ, and similar thumb-nail descriptive data form the card masthead. It is envisaged that the file will contain references to 7,000 scientific and related institutions.
